Guidelines for the Final Projects:

Hapon 100

1. Group of 4-5 members only.
2. Each group will make an original 10-15 min skit in Japanese to be presented in class.
3. The final script should be submitted a week before the designated date of presentation.

Hapon 101

1. Group of 2-3 members only. Each group will be assigned to a particular destination in Philippines.
2. Each group must research about their assigned place including the following: famous food or product, activities available in the area, fares, accommodations, and flight details.
3. Make a **3-4 minute promotional video** of your assigned location. All information or dialogues that will be flashed should all be in Nihongo.
4. A brochure-type written report in Japanese should also be submitted. Final date of submission will be decided in class.
