### Guidelines

1. Arriving 15 minutes after the class has started will be marked late. Three instances of tardiness are equivalent to one absence. In addition, arriving 30 minutes after the class has started will be marked absent.
2. A university rule states that a student is allowed only 6 absences. Students who incur more than 6 absences should officially drop the course; otherwise, they will be given a grade of 5.0. Deadline for dropping is on September 10, 2012.
3. Missed quizzes, exercises and assignments are equivalent to zero. Make- up exams shall only be given for valid reasons. In case of illness, a UP Health Service Medical certificate is needed.
4. In connection with rules 2 and 3, no grade of INC shall be given.
5. To avoid disruption of the class, turn off or put in silent mode all mobile phones, beepers and other such devices during class hours. In addition, there should be no sending of text messages in class.
6. Reading the assigned materials is a MUST.
